No. 1452 was dissolved and became part of the Lord Selkirk School Division No. 11.

After a few years of discontent in the area, the old East Selkirk S.D. No. 99 having ceased to be, the new S.D. No. 1452 known as Happy Thought S.D. came to be on April 7, 1908. The school was named by Alexander Butler Rowley who lived on Lot 88 in the Parish of St. Clements and—who was auditor for St. Clements and fifth generation lawyer. Mr. Rowley was also instrumental in solving many arbitration hearings and disputes because of his orderly, legal mind. He had stressed that education should be one of the happiest thoughts, as was a new

building to educate our children in. The dispute in the village had been long and bitter and should end on a happy thought. And thus the school was named.

We have on record one of the early slates of trustees for this School District. On March 3, 1911 they were: John Baldwin, Chairman, Rod Vincent, Sec. Treas., E.P. Hicks and George Vincent as trustees. It is interesting to note that in 1910 the school operated on a budget of \$1,000.00. \$750.00 for teachers salary, \$100.00 for school building, \$50.00 for furnishings and repairs, \$40.00 for fuel, and \$60.00 for sundry expenses. This \$1,000.00 was obtained through: \$130.00 Legislative grant of .65 cents/teaching day, \$240.00 general school tax, \$1.20/teaching day, and \$630.00 special district tax. This report was sent to the St. Clements Council by the Sec. Treas. David Lyons on June 13, 1910. Reports such as this were submitted by all non-union school districts every year.

The report issued 20 years later shows great changes, as by this time a new school had been built, more teachers were hired, note that the general school tax has changed greatly but the Legislative grant really has not. Expenditures: \$6500.00 for salaries of teachers and officers, \$1600.00 for Debentures (principle) \$50.00 school site,

\$80.00 for school buildings, \$700.00 for furnishings and repairs, \$850.00 for fuel, and \$700.00 for sundry expenses. Revenue: \$900.00 legislative grant. 75 cents/teaching day, \$4320.00 for general School tax \$3.60/teaching day, \$600.00 other grants (not specified), and \$4580.00 for special district tax. This report was issued June 7, 1930 by F. Kordalchuk, Sec. Treas.

On Sat. April 29, 1916, the ratepayers were asked to vote on a by-law to authorize the trustees of the Happy Thought S.D. No. 1452 to borrow \$12,000.00 by the issue and sale of debentures, payable in 20 equal payments of 6% per year for the purpose of erecting, completing and furnishing a four room schoolhouse. The vote was defeated votes being 12 for, and 40 against (with 1 spoiled ballot).

Because this vote was defeated, July 4, 1916, Edgar C. Goulding, Sec. Treas. of Happy Thought S.D. saw it fitting to write a "Letter to the editor" to clarify the actions of the trustees of the Happy Thought S.D. No. 1452, in part he states: "There appears to be some confusion as to actions of trustees respecting the building of a new school, also the taking of census of children of the district, the trustee thinks it desirable to state the following facts in relation:

Frank Halinski's Class at Happy Thought School, 1930-32.

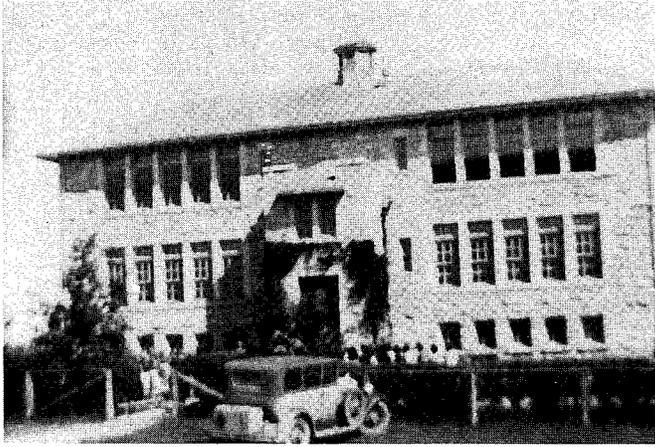

Happy Thought School Grade 9 Students, 1938.

1. By Public School Act, Sec. 4, Sub. Sec. G: Sec. Treas. is to take census during period of July 1-31 each year of School District ages 5-18 years inclusive, and forward to the Dept. not later than Aug. 10, of each year.

2. Sub. Sec. F. of Sec. 57 reads: "provide adequate accommodation and legally qualified teachers according to regulations prescribed by law for all actual resident children in the S.D. between 5-18 years. Board of trustees may not engage 2 teachers until pupils total 45 or 3 teachers until total reaches and exceeds 80.

N.B. Present 2 story building being used as school is some 35 years old. It has been frequently repaired, refloored and reshingled, but no modern improvements complying with the ruling of the Dept. of Educ. It contains a dangerous stairway, has been condemned by the Dept. for over a year as "unfit for school purposes". Trustee agreed to move toward providing a new building so permission was granted to use present structure as a school only on that basis. Movement was then made to provide a new schoolhouse containing 4 classrooms as census showed at the beginning of the school year there would be 204 in attendance (and liable to increase), between the ages of 5-18.

3. Under the Act, the trustees were compelled to provide

Mr. Walter Kostiuk's car in front of H.T.S.

accommodations for 204 children and to do so would require a 4 room school, if the Dept. of Educ. would consent to allow 50 pupils per class."

Another date, Monday, Aug. 21, 1916 was set to vote on the school building issue. It was understood if this vote was once more defeated, the trustees might be compelled to build the school anyway and the total cost would have to be covered in one year's taxes. The by-law submitted to the ratepayers this time was for \$7000.00 by issue and sale of debentures payable in 20 equal payments at 6% interest per year. Voting took place and was this time carried by a large majority.

Tenders were called for the erection and completion of a 4 room, stone schoolhouse, tenders to be submitted up to Monday, Oct. 2, 1916. Design of the school could be seen at the office of E.D. Tuttle, Architect and Engineer, 706 McArthur Building, Winnipeg. The successful contractors for the job was the Progress Construction Company, the architect being Harry W. Green, of Winnipeg. The contract price was \$10,300. Work started on Thursday Oct. 12, 1916 and completion was to be on Feb. 1, 1917. The building would be constructed of stone taken from the old "Round House" at East Selkirk and

Happy Thought School, 1941/42.

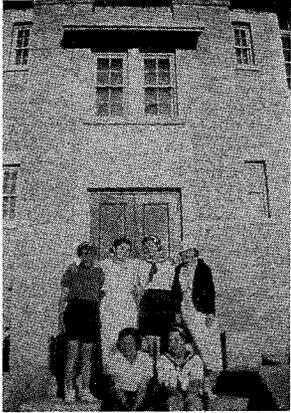

would be 2 stories high, complete with basement. It would have 4 classrooms upstairs and the basement would be divided off into boys and girls playrooms. Nov. 4, 1916, the cornerstone of the school was laid by the Hon. Dr. Thornton, Minister of Education. The new school was formally opened on Monday, Feb. 5, 1917. The children marched in a body from the old school, which had done service for upwards of 35 years, to the new building where a large number of parents and visitors were assembled. Mr. E.C. Goulding, Sec. Treas. of the school board presided. D.A. Ross, M.P.P., gave an appropriate address and presented the pupils with the prizes won at the school fair held in Selkirk the fall of 1916. Ira Stratton, Official Trustee, Inspector Willows, and George Frank, Reeve of St. Clements, were among the other speakers. Refreshments were served, and a short program given by the children.

We have been led to believe the stone school may have been at one time the site of an Indian burial ground. According to Mrs. A. Uhryn, one of the pioneers of the district, and a one time custodian of the school, four graves were unearthed when the ground was broke for the basement. (This is not substantiated by any documented proof.)

This thriving community continued to grow and by 1927 the ratepayers were back to the polls again, this time Sat. Oct. 1, 1927 to pass a by-law authorizing the school trustee's to borrow \$6,000.00 and the issuing of debentures for the purpose of erecting a two room schoolhouse and installing a new heating plant in the old school.

In a letter to Council March 12, 1951, the Sec. Treas. S. Rokosh, acting on the direction of the trustees, requested that Church Road be closed to facilitate the enlarging of the school grounds. At Council on March 13, 1951, moved by J. Kuzminski and seconded by F.G. Andrews that P. Mullins, Land Surveyor, draw up necessary plans to close Church Road, from St. Peters Road, (Henderson Hwy) on the west side to the east boundary of the school property for the purpose of

Tuesday, Sept. 8, 1959, council gave first reading and heard from interested parties of the possibilities of consolidating the School Districts of Happy Thoughts No. 1452, Hoey No. 2173, and Patapun No. 1636. Before said meeting council requested that each of these districts inform them if they had any debts. We understand Hoey and Patapun S.D. were debt free, but Happy Thought informed council they had a debenture debt of \$7,000.00, first payment due Dec. 1, 1959 of \$1,251.67 and annual payments of \$1,105.05.

This by-law No. 1474 was given 1st and 2nd readings Sept. 8, 1959 and 3rd and final reading on Oct. 13, 1959. Before the third reading, approval had to be received from the Minister of Education, Stewart E. McLean, this was received Oct. 6, 1959. This by-law came into effect Jan. 1, 1960 forming the Consolidated School District of Happy Thought No. 1452. Signed by Max Dubas as Reeve, and Wm. Sokolowski, Sec. Treas. At the 3rd and final reading it was passed by John Kuzminski and seconded by S. Myslawchuk that by-law No. 1474 pass, it was carried by all.

A meeting was held Tuesday Aug. 10, 1965, at the Municipal Hall in East Selkirk, to consider the applications of the six mentioned school districts request to join the Happy Thought Consolidated S.D. No. 1452. Approval was given and a further approval was received from L.R. Labossiere, Director of Administration for the Dept. of Education, dated Sept. 10, 1965 and received on Sept. 14, 1965. These transfers were effective, as of Jan. 1, 1966.

June 11, 1965, John Chorney, Sec. Treas. of Lilydale S.D. No. 1285 wrote to the council of St. Clements requesting that they appoint an arbitrator to deal with the matter of Lilydale joining Happy Thought Consolidated S.D. Arbitrators held their first meeting to deal with this request Aug. 26, 1965. This request was approved and this School District was dissolved as of Jan. 1, 1966 and became part of the Happy Thought School District.

At this time planning was going on to build one central school at East Selkirk and eventually dispose of the existing school buildings and transport all children by bus to East Selkirk.

Throughout the history of Happy Thought, the school has always played an important part in community affairs. In 1917-18 many social gatherings were held in aid of the Red Cross, the War Effort and Selkirk General

Hospital. On June 20, 1919 the ladies of East Selkirk "St. Clements Field Comforts Society" held a banquet and dance on behalf of Returned Soldiers of St. Clements and surrounding districts.

Classrooms have always been available for meetings of Cubs, Scouts, Brownies, Guides, concerned parents, and other groups, also after school instructions in sewing, ceramics, gymnastics, ballet and many more too numerous to mention. The Local Recreational groups used the school for their activities and for carnivals and dances etc.

In 1981, the Playground Committee was formed, made up of parents, teachers, and school administrators, this was to set up the school ground as a playground for community activities. Playground equipment was set up, picnic tables provided and a cross-country fitness trail has been designed to fit in with physical education programs. This program has received wide community support from the School Division, municipality, Kinsmen

of Selkirk, East Selkirk Fire Dept., Royal Canadian Legion and the Ukrainian Reading Society. The Committee's major fund raiser for 1982 was the Bob Jefferson Roast. Bob was the vice-principal of Happy Thought for several years and had received the principalship of the Walter Whyte school further north. This was a tribute and roast such as the Village of East Selkirk had never before witnessed.
