

Continuity and Change Task using the book *A Street Through Time*

A Street Through Time is an illustrated book that follows the same street over fourteen time periods from the stone age to the present.

Preparation

- Copy the pages from the book *A Street Through Time*. Make sure to cover the page numbers. Copy as many sets as you need to give one set per group.
- Divide the students into groups.

Group Directions

- Study the pictures of the same street from the book *A Street Through Time*
- As a group discuss what is the same and what is different in each picture.
- Decide the chronological order of the pictures based on what is the same and what appears to be different.
- Share the order you decide upon. Give reasons for your choices.
